Some of the songs which called for delicacy of vocal touch and fancy in their reading were well given. Will Contest.

Charles Albert Heaton Asks Permission to Prosecute

SEEKS ESTATE WIFE

CUT OFF WITH ONLY \$100

A will contest that promises to be sensational was revealed in the Surrogate's court yesterday when Charles Albert Heaton, member of a prominent New Haven family and relative of A. Heaton Robertson, New Haven attorney and director of the New Haven railroad, applied to be permitted to prosecute a contest of the will of his wife, Mrs. Jeannie Hamilton Heaton, who died June 12 last, leaving a large estate.

Mrs. Heaton's will left only \$1 to her

niece, Gwendolyn Kuhne, daughter of niece, Gwendolyn Kuhne, daughter of Percival Kuhne, a member of the banking firm of Knauth, Nachod & Kuhne, and \$1 to her aunt, Adelia A. Linnell of Norwalk, Conn., "because of their cold and indifferent attitude toward me." She gave only \$100 to her husband, then in the Blythwood Sanitarium, saying that he was "already well provided for." She gave her entire residuary estate to her "nearest and best friend." Jacob Howard Cropley of Marblehead, Mass. It is understood that for several years before Mrs. Heaton's death Cropley, who is a male nurse, acted as Cropley, who is a male nurse, acted as masseur for her husband.

At the time Mrs. Heaton's will was

filed the petition accompanying it stated that her husband had been adjudged a dipsomaniac in the New Haven courts on the application of A. Heaton Robertson and M. Perry Curtis, and had been sent to a sanitarium for three years. For this reason Stuart D. Preston was appointed special guardian for Heaton in the probate proceedings. A contest of the will was then filed in behalf of Henton and Miss Kuhne, alleging fraud and

undue influence.

The contest became known yesterday when Heaton applied for the removal of the special guardian in order that ne might be permitted to carry on the con test himself, alleging that he had been declared competent to conduct his own affairs by the New Haven court that originally committed him as a dipso-maniac. He said that for three months maniac. He said that for three months he has been travelling in the West with the Rev. J. Frederick Sexton of New Haven, who is chapitain of the Connecticut Senate and rector of St. James's Protestant Episcopal Church there. The clergyman was appointed committee of Haston's person when the latter was Heaton's person when the latter was committed. Heaton declared that during his travels with the Rev. Mr. Sexton he had full liberty, and that on October 8 last all his property, amounting to \$250,000, was turned over to him by the New Haven Trust Company, appointed to take charge of it.
Since he inherited the Heaton estate the former nurse has taken quarters in
